

REMITTANCE FORM INSTRUCTIONS JUDICIAL TIER 1 AGENCY

Contributions must be accompanied by a remittance form and submitted within 10 days of each payroll processing date, or interest for delinquent contributions will be due.

Step 1: Complete the Agency information:

Agency Number

Payroll Cycle

Reporting Month/Reporting Year

Payroll Processing Date

Processing of your remittance will be delayed if these fields are not completed.

Step 2: Enter the check or warrant:

Check or Warrant number

Employee Contributions

Employer Contributions

Note: A separate remittance form must accompany the checks or warrants submitted for each **payroll processing date**.

ONLY include the checks or warrants that are ACTUALLY being mailed.

List each check or warrant submitted for the payroll processing date separately. For each one, enter the check or warrant number, all of the Employee contributions, and all of the Employer contributions. The Excel sheet will automatically total the Contributions for all categories. If you are doing the form by hand, you must total each column of contributions manually.

**** Effective January 1, 2012, all Employers must include the earnings, ER contributions, and hours worked for DROP participants and retired members employed by their agency. ****

Step 3: Remittance Reconciliation

The Employee Remittance Due (Total salary of contributory employees for the payroll processing date multiplied by 6%) will be filled in automatically if you are using the Excel sheet. Otherwise, you must total and fill in the Employee Remittance Due field manually.

The Employer Remittance Due (Total salary of ALL employees for the payroll processing date multiplied by 12%) will be filled in automatically if you are using the Excel sheet. Otherwise, you must total and fill in the Employer Remittance Due field manually.

The "Total Remittance Due" is the sum of Employee Remittance Due and Employer Remittance due, and should be entered in the Total Remittance Due space. This field will be filled in automatically if you are using the Excel sheet. Otherwise, you must total and fill in the Total Remittance Due field manually.

Step 4: Balance Remittance Due and Remittance Submitted

The "Total Remittance Due" should match the "Total Remittance Submitted." If **out of balance**, please make the necessary **Adjustment** and submit an **explanation** in the "Explanation of Adjustments" section.

The reporting official must sign the Remittance Form and include an email address and telephone number.

EFFECTIVE July 1, 2016
