

APERS cordially invites members to attend seminars in your area

APERS will soon present a RETIREMENT SEMINAR and a RETIREMENT WORKSHOP in your area. The sessions will be held concurrently, so choose the one that better fits your needs. Due to limited capacity, we encourage you to register early.

APERS Retirement Seminar is for any APERS member who is **vested** for benefits and wants to know more about the retirement system and understand what benefits and options are available as you approach retirement.

APERS Retirement Workshop is for any APERS member who is within **one (1) year** of retirement and has questions about the retirement process. Workshop attendees will receive an estimate during this session.

For a complete list of APERS retirement seminar types, dates, and locations, please visit www.apers.org/seminars. Members should only register for one seminar, whichever best fits your membership status and retirement plans.
