9	Re-elect Sir Bill Thomas as Director	Mgmt	For	For	For	No
Voting Policy Rationale: Items 3-4, 6-7 and 9 A vote FOR these Directors is considered warranted, as no significant concerns have been identified. Item 5 A vote AGAINST the re-election of Gary Bullard is considered warranted because: * As Chair of the Remuneration Committee, Gary Bullard is considered ultimately accountable for remuneration practices at Board level, where a number of concerns have been highlighted over multiple years. Item 8 A vote FOR Jonathan Silver's re-election is considered warranted, although it is not without concern as: * He is no longer considered independent and remains SID and the Audit Committee Chair. The main reason for support is: * The Company's recruitment and succession plans have been temporarily put on hold given the ongoing Keysight offer process. As a result, Mr Silver is to remain in place until the conclusion of the process.

Tokyo Electron Japan	Japan	06/17/25	Annual General Meeting	8035	JP3571400005	6	Incentive Plan	Management	Against	06/13/25	We opposed the equity incentive plan due to concerns over the terms of the plan for independent outsiders. A substantial portion of their compensation is delivered in the form of restricted shares, with vesting periods that exceed our preferred maximum of one year. We believe that the design of the plan may lead to independent directors being conflicted and could potentially hinder their long-term outlook or disincentivise them from resigning in protest.
